WE NEED YOUR HELP TODAY!!

At last night's "town hall" meeting in skid row, the Department of Neighborhood Empowerment (DONE) representatives emphasized that the registration for this election will end on Sunday. United Downtown LA legal counsel Rocky Delgadillo is preparing a formal request that this deadline be extended.

Councilman Huizar made it possible for DTLA to vote online for this important election. We need him to immediately direct DONE to extend online voter

registration.

Many eligible voters DO NOT YET KNOW about this election. No coverage by traditional media. The election is in five days. In three days, you will lose your ability to register and vote online if this deadline isn't extended.

Your voices made the difference last week. Let's do it again!!
